TALON Grips Receives 4.81/5 on Review by the Members National Tactical Officers Association

STEAMBOAT SPRINGS, Colorado (March 19, 2014) – TALON Grips, Inc. is pleased to announce that the Members National Tactical Officers Association (NTOA) have tested and recommends TALON Grips with an overall score of 4.81 out of 5.

"We were pleased to have the opportunity to participate in the NTOA's 'Member Tested and Recommended Program,'" said Mike Morris, president of TALON Grips. "TALON Grips strives to provide the most innovative and functional grips that will enhance the safety and user experience of law enforcement professionals and shooting enthusiasts alike."

"TALON Grips are the least expensive, best upgrade you can make to any firearm," said Kevin Kolvereid, current SWAT Team member and former Special Forces operative with the US Army.

The NTOA's mission is to "enhance the performance and professional status of law enforcement personnel by providing a credible and proven training resource as well as a forum for the development of tactics and information exchange. The Association's ultimate goal is to improve public safety and domestic security through training, education and tactical excellence."

TALON Grips were created by a law enforcement officer, competitive shooter, firearms instructor, and armorer. The patented TALON Grips designs provide maximum coverage with minimal bulk. The increased interface between the user and the platform improves weapon retention, encourages quicker more accurate follow up shots with better recoil mitigation, and improve the user's overall performance. Grips for over 100 models of firearms are available in rubber and granulate materials for different user preferences.

Founded in 2009 and located in Steamboat Springs, CO, TALON Grips are 100% made in USA. They are available through firearm retailers and directly from Talon Grips, Inc. at www.talongrips.com.
