TALON Grips

The TALON Grips design provides maximum coverage with minimal bulk. The increased interface between the user and the platform improves weapon retention, encourages quicker more accurate follow up shots with better recoil mitigation and improve the user's overall performance. Grips for over 100 models are available in rubber and granulate materials. For more info: (970) 367-7333, www.americanhandgunner.com/company/talon-grips
